PROCUT 2600MC | 3000MC

The Malone Procut 2600MC/3000MC, mounted mower is one of the best selling mowers on the market. There are many mowers available on the market but not all mowers are built the same, the Malone Procut 2600MC/3000MC mounted mowers have many desirable features and benefit that ensure you get a professional quality clean cut every time.

The Procut mounted conditioners are available in two different cutting widths. What really makes the Malone mower a cut above the rest is the heavy duty galvanised frame, ensuring the long life of your machine. The heavy duty cutter bar ensures an even cut to any and all grassland. The mounted conditioner range utilises steel conditioner tines to help in the fast and efficient drying of freshly cut grass.
