PRO CUT 3000FP

The Malone Procut 3000FP, front plain mower is one of the best selling mowers on the market. There are many mowers available on the market but not all mowers are built the same, the Malone Procut 3000FP mower has many desirable features and benefits that ensure you get a professional quality clean cut every time.

The Procut front plain mower is available at 3m wide. What really makes the Malone mower a cut above the rest is the heavy duty galvanised frame, ensuring the long life of your machine.
